2013 PLANNING

Top Priority of Department in 2013: Recruit new members – emphasis on fully SCBA capable, Implement SOGs for all fire department activities. Develop/review key property pre-plans, Update & improve record keeping and hall facility. Update Fire Service bylaw to match current and expected activities.

Planned Equipment Purchasing Priorities in 2013: Replacement triple combination fire truck and equipment needed to operate it – hose, etc. 1 set of turn out gear. Possible use of minor equip reserve to purchase SCBA

Planned Training Priorities in 2013: Establish practice training schedule to review “Basic FireFighter” category. Hopefully encourage existing officer to attain Live Fire 2 and train the trainer.

Final Comments by Fire Chief to Community: Community Fire Department needs community members to come out and join, your department can only be as healthy as you make it. One night a week to help keep yourself and the rest of your community safer is worth it. Please make a difference.
