**F. REPORTS**

1. Staff Report: Development Application-Community Plan and Zoning Bylaw Amendments, J. Kirk and J. Mather, Winter Harbour, Electoral Area “B” (May 10, 2016)

Chair Soltau called upon Jeff Long, Manager of Planning & Development Services, to present the staff report on the subject application and related proposal. Mr. Long identified the subject property and explained that in 2006, the owners/applicants amalgamated the original six adjacent lots into one 0.4 hectare (1 acre) lot given that the original size and configuration of the lots was not conducive to installing a suitable sewage treatment system and proceeded to have a type 2 sewage treatment system installed along with the required filing with the Vancouver Island Health Authority for the system. The owners then constructed two cabins on the property. Before the amalgamation occurred, the applicable zoning would have allowed a single detached dwelling or duplex dwelling to be constructed on each of the 60’x’120’ lots however, after amalgamation only one single detached dwelling or duplex dwelling could be located on it. The existing two cabins (single detached

dwellings) exceed the density that is permitted by the zoning and the applicants are seeking approval of zoning that would allow up to four cabins to be constructed on the property. Mr. Long continued by providing an overview of matters outlined in the staff report and presented the two draft bylaws in relation to the proposal along with the staff recommendation to proceed with first reading of the bylaws and make arrangements for conducting a public hearing.

There was discussion regarding some of the details associated with the overall proposal and Director Wainwright indicated he would advise staff as to the preferred location of the public hearing.

*Moved/Seconded/Carried*

*THAT the Board of Directors gives first reading to Winter Harbour Community Plan Bylaw No. 371, Amendment Bylaw No. 909, 2016, which proposes to amend Winter Harbour Community Plan Bylaw No. 371 by changing the applicable land use designation from Residential to Recreation and Tourist Commercial, for the property described as follows:*

Civic address: 232 Croft Street  
Assessment Roll Number: 78514642.005  
Parcel Identifier: 025-766-546  
Legal Description: Lot A, Section 3, Rupert District, Plan VIP75900

*AND FURTHER THAT the Board of Directors gives first reading to Regional District of Mount Waddington Zoning Bylaw No. 21, Amendment Bylaw No. 910, 2016, which proposes to amend Zoning Bylaw No. 21, 1972 by adding a new Tourist Cabin Accommodation Zone (TCA-1) and changing the applicable zoning category from the Rural Zone (A-1) to the Tourist Cabin Accommodation Zone (TCA-1), for the property described as follows:*

Civic address: 232 Croft Street  
Assessment Roll Number: 78514642.005  
Parcel Identifier: 025-766-546  
Legal Description: Lot A, Section 3, Rupert District, Plan VIP75900

*AND FURTHER THAT the Board of Directors instructs staff to refer Winter Harbour Community Plan Bylaw No. 371, Amendment Bylaw No. 909, 2016 and Regional District of Mount Waddington Zoning Bylaw No. 21, Amendment Bylaw No. 910, 2016 to the Ministry of Forests, Lands and Natural Resource Operations and Island Health for review and comment by June 17, 2016.*

*AND FURTHER THAT the Board of Directors instructs staff to undertake preparations for advertising and conducting a public hearing in accordance with the Local Government Act and the RDMW Development Procedures Bylaw, with respect to Winter Harbour Community Plan Bylaw No. 371, Amendment Bylaw No. 909, 2016 and Regional District of Mount Waddington Zoning Bylaw No. 21, Amendment Bylaw No. 910, 2016, as follows:*

- 1) *At 1:30pm on June 21, 2016 at the Regional District administrative office addressed as 2044 McNeill Road, Port McNeill, BC; or alternatively,*
- 2) *That the public hearing be conducted in the community of Winter Harbour on a date and time suitable for doing so, should this be the preferred option of Electoral Area 'B' Director Phil Wainwright, and should this be the case, the Board hereby delegates the holding of the public hearing to the Public*

# BYLAW ENFORCEMENT & COMPLAINT POLICY

Approved: \_\_\_\_\_, 2016

Policy No.: \_\_\_\_\_

---

### Policy Statement:

Available staff and other resources to investigate complaints and implement enforcement measures related to offences associated with RDMW bylaws are limited. In this regard, those staff or contracted persons in positions that have been appointed by the Board of Directors (Board) to enforce the RDMW's bylaws (enforcement staff) will only respond to written complaints from the public that are provided in written form in which they identify themselves and provide evidence and/or documentation of a bylaw infraction. This bylaw enforcement and complaint policy identifies roles, responsibilities, enforcement authority and methods for dealing with complaints and enforcement of the RDMW's bylaws.

While it is desirable to adopt a uniform approach in responding to complaints and enforcing RDMW bylaws, the Board has no duty on the part of the RDMW to take enforcement action with the respect to every contravention of every bylaw that may be occurring within its jurisdiction. Discretion must be exercised on a case-by-case basis and must not be made in bad faith. The main objectives for undertaking bylaw enforcement measures are to do so in a consistent manner which strives for voluntary compliance wherever possible.

---

### Policies:

#### 1. Complaint Process

- (a) All complaints must be submitted in writing before they will be considered for investigation. A complete written complaint shall consist of the following information where applicable: date of complaint, name / telephone number / email address / mailing address of complainant; detailed description of the nature of the alleged infraction(s) including times, dates, location and any other relevant details. Anonymous complaints will not be investigated. For clarification, email is an acceptable form of written complaint provided the aforementioned information is included.
- (b) All enforcement matters are considered confidential and every effort will be made to ensure confidentiality of the complainant. However, section 15(1)(d) of the *Freedom of Information and Protection of Privacy Act* may require the RDMW to identify a source of law enforcement information. In this regard, a complainant may need to be identified if the complainant's evidence is crucial in a court proceeding related to an offence and resulting enforcement action.
- (c) The priority in dealing with complaints shall be the following: 1) danger to health, safety or property; 2) inconvenience to the public; and, 3) routine matters related to zoning regulations.
- (d) All written complaints are to be forwarded to the chief bylaw enforcement officer for review and action including delegation to other enforcement staff where applicable.
- (e) The members of the Board of Directors are not to be involved with the assessment of a complaint that has been received by the RDMW, the sanctioning of an investigation, or in making a decision as to who shall be investigated.

## 2. Investigation Process

The following are the investigation process guidelines:

- (a) Enforcement staff will respond to a complainant to acknowledge receipt of a written complaint and that it will be investigated.
- (b) A preliminary review of the complaint is undertaken to determine the association between the nature of the complaint and the potential for an offence associated with RDMW bylaws.
- (c) Should there be potential for a bylaw offence, staff may proceed with further investigation to determine if there is evidence in support of the alleged bylaw infraction. This may include a site visit to observe and record any circumstances associated with a potential bylaw offence, interviews with neighbors and witnesses, discussions/meetings with the alleged offender(s), internet research, etc.
- (d) If no offence is substantiated by enforcement staff, the complainant is so advised and no further action is required.

## 3. Enforcement Process

- (a) If enforcement staff has determined that a complaint is valid in that an offence associated with a RDMW bylaw(s) is likely or has occurred or is occurring, staff may proceed with enforcement measures.
- (b) In considering how to proceed with enforcement measures associated with an offence, the following criteria may be taken into account for the investigation:
  - (i) The duration of the offence;
  - (ii) Whether similar offences have occurred in the past;
  - (iii) The willingness of the offender to take corrective action in order to achieve compliance; and,
  - (iv) The policy implications of the enforcement action.
- (c) There are several enforcement options available to the RDMW:
  - (i) Voluntary compliance: The offender is contacted and the offence is outlined. Their cooperation is sought and a deadline to comply is negotiated. May include issuance of a warning ticket information.
  - (ii) Quasi-criminal proceedings in Provincial Court: Includes issuance of a ticket information, a long form information, or a consent order.
  - (iii) Injunction proceedings: An injunction is a court order directing a person to do, or not to do, a specified act. The provincial court has no jurisdiction to grant injunctions. Orders in respect to acts that are breaches of RDMW bylaws must be sought in Supreme Court. As a result, injunction proceedings are conducted by a lawyer and require a board resolution before action is commenced.
  - (iv) Direct enforcement: Involves carrying out enforcement remedies and adding the cost of doing so to the taxes without the authorization of a court decision. Direct enforcement action requires a board resolution before any action is commenced.

- 
- (d) Voluntary compliance is always the preferred option in order to achieve bylaw compliance. Upon discussing an enforcement matter with an offender(s), where enforcement staff are given the impression by the offender that the offender will undertake action to correct the bylaw offence, the enforcement officer shall provide a suitable amount of time for the offender to achieve compliance. In some situations, the timeframe for corrective action may be very short (e.g. case of excessive noise during late evening hours which is causing a disturbance to others and requires immediate compliance action). Enforcement staff may provide correspondence to the offender which outlines the need for corrective action in order to achieve compliance by a specified date and time, may issue warning ticket information, or both. Voluntary compliance may be expedited by enforcement staff by issuance of a ticket information where it is deemed appropriate and reasonable (e.g. failure to heed a “Stop Work” order, or a violation that requires more immediate attention and action on the part of the offender who has not or will not comply with bylaw requirements).
- (e) Where compliance is not achieved by the specified date / time, enforcement staff shall follow up with the offender to determine the cause for delay in doing so. If enforcement staff is of the opinion that further time to achieve compliance is warranted, enforcement staff may provide the offender with more time to achieve compliance. Alternatively, enforcement staff may issue a warning ticket information as a means of encouraging voluntary compliance. Should enforcement staff be given indications that the offender is not likely to take corrective action in order to achieve compliance, ticket informations may be issued.
- (f) In a situation where a ticket information has been issued to an offender, if the offender rectifies the offence to the satisfaction of the Chief Bylaw Enforcement Officer and within 14 days of the ticket information having been issued, the ticket information may be cancelled by the Chief Bylaw Enforcement Officer. In deciding to do so, the Chief Bylaw Enforcement Officer may consider any relevant factors including, but not limited to such things as the amount of enforcement staff time spent to achieve compliance, willingness of offender to work towards compliance, etc.
- (g) Where an offence has not ceased, enforcement staff will report to the Chief Administrative Officer that a further enforcement action is required in order to achieve compliance and the Chief Administrative Officer shall review the situation and direct enforcement staff accordingly.
- (h) For enforcement matters that require injunction proceedings or a direct enforcement action, enforcement staff will prepare and present a report to the Board that includes the related background information and a recommended course of action for the Board’s consideration before staff proceeds with either of these enforcement remedies.
- (i) Upon an authorizing resolution having been adopted by the Board in relation to an injunction proceeding or direct enforcement action, enforcement staff shall:
- (i) Forward the bylaw enforcement file including all related documentation to Crown Counsel or the RDMW’s legal counsel to initiate prosecution; or,
  - (ii) Initiate compliance action by coordinating the staff and other resources that are necessary to attend the premises to conduct the work necessary to achieve bylaw compliance.
- (j) Should it be determined that direct enforcement is the preferred option to achieve bylaw compliance, the following outlines the process that must be undertaken in doing so:
- (i) A letter is sent to the property owner clearly outlining the required tasks. The letter must advise that failure to comply with the bylaws within the outlined time frame will result in

enforcement staff requesting that the Board considers adopting a resolution to effect compliance on the subject property and that any expenses incurred in doing so will be added to the property taxes as taxes in arrears if they are not paid by December 31<sup>st</sup>.

- (ii) Should the property owner fail to comply with the bylaws within the given time frame as outlined in the first letter, one of two steps must follow:
  - (1) A letter is sent to the owner advising that they have failed to comply with the RDMW bylaws and a staff report will now be forwarded to the Board asking for a resolution to effect compliance on the subject property. The letter must be sent to every owner on title and to all occupants; or,
  - (2) A letter is sent to the owner advising that they have failed to comply with RDMW bylaws and a staff report will now be forwarded to the board asking for a resolution to effect compliance on the subject property. The letter must be sent to every owner on title and to all occupants. If the subject property requires that substantial work be completed before compliance is achieved, then staff will obtain estimates for the costs of achieving compliance and advise the owner of the estimated costs of the clean up should the RDMW proceed to direct enforcement to effect compliance.
- (iii) Once a report has been considered by the Board, then one of the following will occur:
  - (1) If a resolution has been adopted by the Board, then a letter is sent to the property owner, stating that a resolution has been adopted to enforce and effect clean up. Should the property not be brought into compliance within 30 days, then any costs incurred as a result of the clean up to achieve compliance, if not paid, will be added to the taxes payable as taxes in arrears; or,
  - (2) If direction given by the Board is not proceed with direct enforcement, then communications are sent to the owner(s), occupant(s) and complainant(s) that the Board decided not to proceed with direct enforcement.

*NOTE: If at any time during the above procedures the bylaw offence is resolved, the file can be closed (but will retain its file number and sequence) and enforcement staff will notify the complainant and the offender accordingly.*

#### 4. Staff Safety

- (a) The safety of staff and contracted agents of the RDMW is of utmost importance. If enforcement staff and/or agent are verbally or physically threatened while administering the bylaws of the RDMW, then no further investigative action shall be carried out until a private security firm can be hired or a police officer accompanies the enforcement officer and/or agent to undertake further investigate action.

#### 5. Inquiries

- (a) All inquiries regarding bylaws shall be handled in a timely and responsive manner by the appropriate staff.
- (b) Media inquiries regarding the status of a bylaw enforcement matter shall be directed the Chief Bylaw Enforcement Officer.
- (c) All Board inquiries relating to bylaw enforcement shall be directed to the Chief Administrative Officer.

## BYLAW ENFORCEMENT TICKET INFORMATION

### AUTHORIZATION BYLAW NO. 907, 2016

*A Bylaw to Adopt a Ticket Information System for Bylaw Offences and Enforcement Purposes*

WHEREAS pursuant to section 414 of the Local Government Act and section 264 of the Community Charter, the Board of Directors may, by bylaw, designate those bylaws and the offences associated with those bylaws, for which a bylaw enforcement officer may lay an information in the form of a ticket as a means of bylaw enforcement;

AND WHEREAS the Board of Directors deems it expedient to authorize the use of a ticket information system for the enforcement of certain bylaws, to designate persons as bylaw enforcement officers, to authorize the use of certain words or expressions to designate bylaw offences, and to set fine amounts in association with those offences.

NOW THEREFORE the Board of Directors of the Regional District of Mount Waddington, in open meeting assembled, hereby enacts as follows:

#### **Citation**

1. This Bylaw shall be cited as “Regional District of Mount Waddington Bylaw Enforcement Ticket Authorization Bylaw No. 907, 2016”.

#### **Definitions**

2. In this Bylaw, unless the context otherwise requires:

“Board” means the Board of Directors of the Regional District of Mount Waddington.

“Building Official” means the Municipal Inspector of the District of Port Hardy which is the organization that has been contracted by the Regional District to administer matters pertaining to the Regional District’s Building Bylaw.

“Bylaw Enforcement Officer” means a person who has been appointed by the Board to enforce the Regional District’s bylaws.

“Peace Officer” means a member of the Royal Canadian Mounted Police or other organization as defined by provincial or federal legislation.

“Regional District” means the Regional District of Mount Waddington.

#### **Application**

3. The bylaws listed in Column 1 of Schedule A, said Schedule which is attached to and forms part of this Bylaw, are hereby designated as bylaws that may be enforced by means of the laying of a ticket information for offences committed in relation to those bylaws.
4. The persons appointed to the job positions or titles listed in Column 2 of Schedule A to this Bylaw, are hereby designated as Bylaw Enforcement Officers for the purpose of enforcing the corresponding bylaws listed in Column 1, and may lay ticket informations in relation to those bylaws.
5. The words or expressions set forth in Column 2 of Schedules B through Q, said Schedules which are attached to and form part of this Bylaw, designate the offence committed under the corresponding bylaw section number appearing in Column 1 of Schedules B through Q for which a Bylaw Enforcement Officer may lay a ticket information.

- 6. The fine which appears in Column 3 of Schedules B through Q to this Bylaw, is the fine amount payable in relation to the corresponding offence described in Column 2, upon laying of a ticket information by a Bylaw Enforcement Officer. Where the applicable fine amount relates to the occurrence of multiple offences, this is intended to be in relation to the same instance of offence, but on a different day the same instance of offence continues as described in section 7.
- 7. Each day on which an offence identified in Column 2 of Schedules B to Q of his Bylaw occurs constitutes a separate and distinct offence for which a Bylaw Enforcement Officer may lay a ticket information and for which is a fine is payable.

**Effect**

- 8. This Bylaw shall take effect upon its adoption by the Board.
