To Quatsino Residents,

The Regional District of Mount Waddington (RDMW) is commencing its efforts to construct the Recycling Depot/Transfer Station for the community in 2018. Given the logistic challenges of the site and the desire to draw upon local expertise, the RDMW is developing a list of interested parties who wish to participate on the project. The "Quatsino Local Service Provider List" (QLSPL) will receive submissions throughout the project's lifespan and may be considered in the future should other RDMW initiatives within Quatsino be undertaken.

Those interested in being included on the QLSPL should contact the RDMW either by email ([info@rdmw.bc.ca](mailto:info@rdmw.bc.ca)) or by leaving a phone message (250 956-3301 Ext 221). Please provide your name, contact information (preferably phone number and email) and a list of skills/services that you can offer. It is the intent of the RDMW to start work on the project by mid-February so forward your submissions as soon as possible to allow for full participation.
