

# Mount Waddington Regional Housing Needs Report Community Forum

The Regional District of Mount Waddington, District of Port Hardy, Town of Port McNeill, Village of Alert Bay and Village of Port Alice have partnered together to complete a housing needs report for the region which is available on the RDMW website. The report contains information on current housing needs, projected community growth in terms of population and households, and future housing needs over the next five years from 2020 to 2025.

Please join us for a community forum to review the report findings! This an opportunity for community members and stakeholders to engage directly with the project team and ask any questions about the findings and trends observed across the region. A brief information session on developing non-profit housing in smaller communities that is specifically relevant to the North Island will also be provided.

## **Date / Times:**

Two forums will be held online and are open to the public. To accommodate as many participants as possible, there will be two sessions held on Thursday, December 10th at 10:00am and again at 6:00pm. Visit the following links to register and receive the meeting link and access code:
