

North Island College

# Kayak Guiding Foundations

Get certified as a sea kayaking guide and in wilderness first aid, engage in marine wildlife interpretation training, and gain professional guiding skills suited for work leading group tours within the standards of the Sea Kayaking Guides Alliance of BC.

We are seeking 10 eligible participants from Mount Waddington Regional District. Program has no cost to participants and is open to unemployed or under-employed applicants. Program will be delivered to meet or exceed all current Covid-19 guidelines. Full attendance is essential for success and being ready for employment opportunities in the region.

Port Hardy March 1- May 21
