1. Meeting called to order at 1904 by Walter Eggenberger.
2. Adoption of agenda to include letter of support from Hyde Creek Recreation, mapping for community plan.
3. Adoption of June 5th minutes with correction in title to say APC instead of Fire Commission. Guylaine moved, Lynn 2nd, carried.
4. New Business
 - a. Request:
 - i. Bill Cessford came to informal meeting in September to request a letter of support to expand land for recreational use.
 - ii. Action: Jeff to contact Bill to discuss options with land located behind Fire Hall which is owned by RDMW.
 - b. Mapping:

Jeff reviewed zone maps for Hyde Creek area with a focus on any possible developable land.
 - c. Invasive Species:

Patrick Donaghue came in later in the meeting to provide report that they have sprayed against Japanese knotweed two times. It is done when plan is emerging followed up by one to knock it down. This is the first year of invasive species spraying in Hyde Creek. Typically spraying and observation needs to occur for 20 years to ensure that the plant does not resurface.

Action: Invasive Species meeting to occur on October 30th at 10 at RDMW. This meeting is to develop plans for the next few years on how to combat this issue. Please contact James Furney if you are interested in attending.
5. Next meeting date: November 6, 2019 at 7 pm.
6. Adjournment at 2112.
