PRESENTED BY

Cathy Peters

BeAmazingCampaign.org

A modern equal society does not buy and sell women and children.

Cathy Peters raises awareness about the issue of human sex trafficking, sexual exploitation and child sexual trafficking which is for the purpose of prostitution. She speaks and presents to politicians, police and the public.

Today's slavery has low costs and huge profits; a trafficker can make hundreds of thousands of dollars *per victim* per year.

The average age of entry into prostitution is 12–14 years of age in Canada, although traffickers are targeting children as young as 8. There has been a dramatic increase in child exploitation along with the production and consumption of child pornography. Unregulated technology has increased the demand for commercially paid sex.

The biggest problem in Canada is that the public is unaware of the issue. Women, youth, children, the marginalized and vulnerable will become potential targets and victims unless we do something to stop it.

Cathy Peters is a former inner city high school teacher and, since 2014, has made over 600 presentations to more than 20,000 people.

She has received 14 Challenge Coins from Victoria, Kitmat, North Vancouver, Coquitlam, Richmond, Surrey, and Chilliwack RCMP detachments, RCMP HQ Counter Exploitation Unit, New Westminster Police Department after presenting at the Justice Institute, Federal Corrections, Delta, Abbotsford, and the Vancouver Police Department.

Cathy's work was introduced in the BC Legislature and she was asked to three Federal Justice Committees on human trafficking. She has been a speaker to three MMIWG gatherings, numerous Indigenous groups, and had a booth at the July 2022 Assembly of First Nations Convention where she met hundreds of Indigenous leaders.

Cathy was nominated for an Order of BC Award and for the Carol Matusicky Distinguished Service to Families award. In 2022 she presented at the Global Summit *Connecting to Protect: Addressing the Harms of Porn on Youth from a Public Health Perspective* (University of Calgary) and presented at the first RCMP Human Trafficking webinar for law enforcement across Canada. Cathy received a Queen's Platinum Jubilee Medal for her anti-human trafficking advocacy work.

Issue

The recalled blinds do not meet the *Corded Window Coverings Regulations* and pose a strangulation hazard. Young children may pull looped cords around their neck, or become entangled in the cords, causing a strangulation hazard.

Children can become entangled in blind cords, which can quickly lead to strangulation and even death. Health Canada recommends cordless window coverings. For more information on the hazard, see [Blind Cord Safety](#).

As of May 1, 2023, the company has received no reports of incidents or injuries in Canada.

What you should do

Consumers should immediately stop using the recalled products and keep all cords away from children. The cord(s) may be cut prior to disposal of the product. Green Mountain Vista will provide a replacement product with photo documentation of the destroyed product.

For more information, consumers can contact Green Mountain Vista by telephone at 1-802-862-0159, Monday to Friday from 9:30am to 3:30pm ET, by email at office@gmvista.com or visit the company website at www.gmvista.com.

Please note that the *Canada Consumer Product Safety Act* prohibits recalled products from being redistributed, sold or even given away in Canada.

Health Canada would like to remind Canadians to report any health or safety incidents related to the use of this product or any other consumer product or cosmetic by filling out the [Consumer Product Incident Report Form](#).

This recall is also posted on the [OECD Global Portal on Product Recalls website](#). You can visit this site for more information on other international consumer product recalls.
