

Notice to Woss Residents

Chlorine Water Treatment

September 2nd, 2023

The Regional District of Mount Waddington will be conducting the annual “shocking” of the Woss water system on September 2nd, 2023.

There are no safety issues, or need to boil the water; it will be safe to drink. However, you may notice a “smell”. If this happens, please run your taps for 5 to 10 minutes to clear the smell.

Should you have any questions, please feel free to contact Patrick Donaghy at the Regional District of Mount Waddington at 250-956-3301 or via email at info@rdmw.bc.ca
