

# Congratulate your Graduates!

## 2025 GradPASS

Enjoy your celebration and travel safely.

**GradPASS is a valuable program that promotes public transit as a lifestyle choice,**

offering Grade 12 students free bus rides for any two days in June.

GradPASS aims to help students consider all transportation options when planning a safe ride home at graduation time, and throughout their lives.

GradPASSes will be distributed to enrolled schools annually in May.

To use the GradPASS, students must scratch off the appropriate date on the pass before boarding the bus. When using the passes, drivers may ask to see their student ID to confirm their eligibility to use the pass.
