GARDEN WASTE

The Regional District of Mount Waddington (RDMW) allows visitors to 7 Mile Landfill and Recycling Center (7MLRC) to drop off garden waste with no tipping fee charged. Garden waste means smaller woody or plant material whose diameter allows for easy breakdown when composted. It does not mean non-natural materials collected during outside cleanup projects or large woody material that will take an extended period to breakdown. Examples of garden waste eligible for free tipping are as follows:

Small Branches (Less Than 2 inch Diameter)

Leaves, Plant Cuttings, Hedge Trimmings, etc

If you should have any questions, please contact me at our office at your convenience.
