

FERRY LINE-UP INFORMATION

For Malcolm Island/Sointula

Welcome!

- When coming off the ferry in Sointula, please note there is a yield sign. Yield to on-coming traffic.
- When leaving, Ferry line up parking is on the right side of the road, facing north.
- Motorcycles line-up at the front of the line.
- Line-up within the white line on the side of the road.
- White angled line area is No parking.
- No parking on the dock in front of the gate for the ferry.
- No cutting in the line – Filling in what looks like empty spots.
- Do not block any driveways.
- Do not block any residents' vehicles in, park in front or behind them.
- The line-up can be as far as the Cemetery, and you can still make it on.
- If lining up for the first ferry before the last ferry leaves at night, park starting at the second block. This is to leave space for the cars going on the last ferry, so they or the ferry doesn't miss loading on the night ferry (it has happened before).
- There is a signal light for loading, it is to the left. It is normally red and will turn green when it's time to load.
- Follow the vehicles loading until you are on the ferry, yield to on coming traffic
